Who Are We ??

MG Marketing is a Digital Marketing Company that goes above and beyond to provide for our Client's needs through all Social Media platforms, making sure that they reach their target audience and get returns on their investments. We have a committed and diligent team that makes sure every area of your Social Media platform is well covered;

The Team

1. Graphic Designer who makes sure all our Brands are up to date in current web designs and all other graphic needs.
2. Professional Photographer and Videographer who will take quality photos and videos and make your content very appealing.
3. Social Media Marketing Specialists who makes sure all our Brands are out there for the world to experience but more so, ensure that the brands are moving with all the current trends on all Social Media Platforms.
4. Public Relations & Communications Expert who makes sure that what is out there on behalf of your brand is within the norms of Social Media Guidelines and also acceptable.

Our Package

1. Creating, Developing and Updating Social Media content
2. Managing and monitoring all your social media pages
3. Designing posters
4. Professional Photography and Videography
5. Marketing Support during special Event Calendars
6. Monthly Calendar Planning
7. Page Boosting
